Welcome to your getaway in Minnesota!

I want to welcome you to your GET AWAY IN MINNESOTA! This booklet is your opportunity to plan a destination or just live on the edge and blindly pick a Bed & Breakfast and enjoy the adventure. Each region and individual Bed & Breakfast will provide you a unique experience. This guide book will provide basic information about your destination and your inn keeper will give you an insiders knowledge of the area.

Our member Bed & Breakfasts have been inspected and Quality Assured by the Minnesota Bed and Breakfast Association, to provide you the high standard of quality you have come to expect. In addition to the standards of cleanliness and safety, many of our Inns are environmentally responsible and many have received state and national awards. You can find locations from inner city to rural and ambience from romantic to rustic. Each inn keeper puts their own personal touches on the experience they provide.

As you decide on your destination this guide will help you find the perfect get-away, and let you experience “Minnesota Nice” up close and personal.

Sincerely,

Joe Pacovsky, MBBA President

Green Journey Inns

The Minnesota Bed and Breakfast Association’s Green Journey is a “green” self-certification program to recognize member inns who are making a commitment to be good environmental stewards.

Not sure what to get that special someone? A Minnesota Bed & Breakfast gift certificate is perfect for any occasion. Go to www.minnesotabedandbreakfasts.org to order today!
Last night I heard a wolf howl. I thought that only happened in movies. There is nothing I could want for right now. The legendary North Shore and Lake Superior in front of me, the Iron Range behind me, the amazing Boundary Waters to one side, shopping, dining, golfing and much more to the other side. Thanks to you, I have had a chance to find some new friends, and a part of me that I didn’t realize was there. You are the best...

It has been quite a trip! This area is fantastic, so much to see and do. Yesterday we visited Lake Itasca headwaters for the mighty Mississippi. Then it was on to some great birding - we spotted prairie chickens, bobolinks, chestnut collared longspur. Our innkeepers gave us binoculars to use and even packed us an extra early bag breakfast. I know we will see you again... and again... and again.

Ya know, we’re not city people by nature, but your lodging let us explore the Twin Cities of Minneapolis and St. Paul and still enjoy all the comforts of home. There is theatre, dining and activities the likes of which I used to just read about. And just a short ways away, there’s the history and beauty of the St. Croix River Valley. Thanks so much for being our hosts, guides, and even more, our new friends. Luv ya, man.

DREAMING OF BEING AN INNKEEPER?

The MBBA Aspiring Innkeeper Workshop is designed for those dreaming of owning an inn or new owners already realizing the dream.

This workshop informs you of the facts, fallacies and fantasies of the B&B industry through presentation and discussion. This all day workshop is just $325, which includes a comprehensive notebook, break refreshments and lunch.

Visit the MBBA website, which includes current B&Bs For Sale, and/or call 952-303-2325 for additional information.
How special it was to see bluffs, valleys and prairies, indeed the whole range of landscapes as we traveled through southern Minnesota! We took advantage of the many scenic byways and bike trails. We fished and floated on the many rivers and lakes and enjoyed the many state parks. History, wineries and shopping abounded in this unique area. Then at the end of each day, we rested in a wide range of bed and breakfasts including old historic inns, converted homes and homes designed just for a traveler’s pleasure. Southern Minnesota is truly a study in contrasts where we found just the right place to relax.

Finally talked my husband into a weekend getaway at a B&B! He actually said, “you were right, I love it!” You know how hard it is for him to admit that! LOL
